RECD. ON 2. OCT 1924
Reg. No 2696

Letter No.1840 dated 25th September 1924 from the Deputy Commissioner,Tumkur District to the Revenue Commissioner in Mysore.

I have the honour to state that the Executive Engineer, Tumkur Division has on my requisition supplied to the several Taluks the necessary famine tools and plant to be given to the destitute Panchamas who are being employed at present on works started as a relief measure. He wanted to withdraw the same on the authority of the Government order dated 8th July 1924 under the impression that the seasonal conditions would improve. Now that the distress operations have again been restarted in the District, I have requested him to allow the famine tools with the Amildars for some time more. I request you therefore to kindly obtain necessary orders of Government for keeping these tools and plant in the Revenue Department for some time more so that these may be issued when there is real necessity thus avoiding unnecessary conveyance charges.
